

Education

University of Warwick | BSc Cyber Security | 09/21 - 06/24 | Coventry, UK

Predicted Grade: 1:1

Key Modules: Software Engineering (1:1), Systems Architecture (1:1), Discrete Structures (2:1), Information Management (1:1), Network Security (2:1).

Accreditation Body: Warwick Manufacturing Group (WMG) & National Cyber Security Centre (NCSC)

City of Westminster College | BTEC ICT Extended Diploma | 09/19 - 06/21 | Coventry, UK

Grade: D*D*D* (168 UCAS)

Modules: Object-Oriented & Event Driven Programming, Database Design, Computer Networks.

Certificates & Skills

GIAC-SEC275 | SANS-Foundations | Cyber-EPQ | CC | Linux / BASH | SQL / Python / C | Microsoft Azure DevOps

Experience

National Cyber Security Centre (NCSC) & Plexal | Innovators Challenge | 03/23 - 03/23 | London, UK

Collaborated with group of 6 to demonstrate innovative design through design thinking sessions for space and satellite technologies solutions for securing communication links between ground stations and end-users.

Pitched researched solution through a 10-minute presentation and received excellent feedback from start-up investors. Cultivated interpersonal skill by actively engaging in conversations, building positive relationships with MSc-Level student from across the nation throughout the programme.

University of Warwick | IT Technician | 06/22 - 09/22 | Coventry, UK

Designed and implemented script solution to improve the organisation's overall success response rate by 15% by automating common procedures increasing response efficacy and reducing repetitive tasks utilising Python and BASH scripting.

Utilised Microsoft Azure efficiently and reduced performance and internal network issues by 32% through the monitoring and troubleshooting hardware and software across campus.

National Cyber Security Centre | Cyber-First Internship | 08/21 - 09/21 | London, UK

Conducted 5-10 minutes presentations on research discoveries in the cyber space and personal interests, engaging 500+ guests worldwide through relatable experiences and interactive Q&A.

Volunteering

University of Warwick | Student Ambassador | 11/21 - Present

Collaborating with the Recruitment Office to engage 500+ current and future students through academic events; executed a 3-hour long orientation session easing new members adaptation.

Delivered presentations on cyber related topics to 100+ prospective undergraduates and parents during open-day sessions, with positive feedback from parents and supervisors.

City of Westminster College | Student Representative | 09/19 - 06/21

Supported the Student Council and Governors by discussing ideas, feedback and suggestions from students on a weekly basis to improve community experience.

Accumulated 95+ hours with the Student Council.

Achievements

Champion of the ICL Collegiate Cup 2023.

Spanish Civil Guard's Mentorship: led group of 5 individuals in the National Cyber-League Competition 2022 - achieving Top 30 position
